

Crossfield United Church Announcements - April 18/24

Every year on April 22, Earth Day marks the anniversary of the birth of the modern environmental movement in 1970. At our Sunday worship service April 21st, 10 a.m., we'll focus on Earth Day themes and our particular rural connection to the earth as we Bless the Seeds. We'll hear Jesus' Parable of the Sower (Matthew 13:1-23) and sing songs celebrating God's gifts of creation and life. Within the context of worship you'll also receive the gift of a tiny tree to take home.
